

## **Bedford Kindergarten**

### **Admission Policy (2024-2025)**

#### **Objectives:**

To maximize admissions without compromising on the quality of education or standards.

To implement a fair and transparent admission policy for all parents.

To simplify the admission process for both parents and students.

#### **Selection Criteria:**

- The admission for KG-1 and KG-2 will be confirmed only after a face-to-face interview with the applicant and assessment tests. These assessment tests are a tool for both the KG and the parent to get a genuine assessment of where the child stands and if there are any particular areas of weaknesses that need to be focused upon.

- Applicants must demonstrate through interview and entrance assessment that they can engage with an English medium curriculum. Applicant's learning and social skills, together with their ability to cooperate with adults and other children, will be taken into consideration.

- Upon being offered a place, a completed application form along with the necessary supporting documents must be submitted and a non-refundable application / registration fee must be paid in order to process the application.

Siblings of current students will receive priority in the admissions process.

- The Application Form must be filled out in English by the Parents of the applicant.

#### **OUR VISION –**

**Nurture the tiny minds; cherish the future.**

Our vision is to create a nurturing environment where young minds are cherished, cultivated, and prepared for a promising future. We believe in the potential of every child and are committed to providing the support and opportunities they need to thrive.
